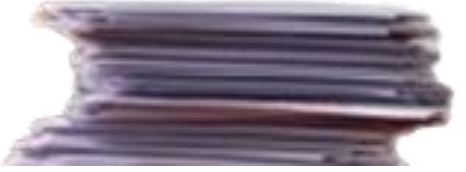
Problem

Your paychecks will stop if you can’t work.



Your bills won’t.

Solution

We have a plan.

Millions are at stake.

Annually
$100,000

In 30 years
$3,000,000

IF you're able to work.

Disability … What are **YOUR** odds?

Age	Death	Disability
35	23%	50%
40	22%	48%
45	20%	44%
50	18%	39%
55	15%	32%
60	9%	9%

Most working years …
you're twice as likely to be disabled than die.

Cause of mortgage foreclosures:

Death: 2%

Disability: 46%
